Vicar's Message

Dearly Beloved in Christ,

By the grace of God we were able to reach here on 25th of May .We are extending our sincere thanks to you all for your prayers and requesting for the same in the days to come.

Today, most car navigation systems are based on GPS position information. The Global Positioning System (GPS) is a means for detecting position information by making civilian use of satellites originally launched for military purposes by the United States. To detect GPS position information, a system must be able to receive signals from at least three satellites. In car navigation systems, the GPS antenna and GPS receiver serve to receive signals from these satellites.

At times in our Christian walk we come to a juncture and we need to know the direction God has for us. At other times the road may be filled with obstacles, littered with pot holes, or tied up in "construction." Just like David, we need to hear God's advice and counsel. Here is the cool part; all we have to do is turn on our GPS (God's Positioning System). He is our creator, our Father, and friend.

God says in Psalm 32:8 "I will guide you and teach you the way you should go. I will give you good advice and watch over you." He will never lead us down the wrong route or leave us when the road gets rough. Although we may not always understand why He steers us on a particular road, we can be confident that He knows how to get us safely to our final destination. "For this God is our God forever and ever; He will be our guide even to the end." Psalm 48:14

So what we should do is, not to put our confidence in our ability to follow Christ, but instead in His ability to lead us. As we approach the uncharted territories with its challenges and opportunities, we will lose our way unless we have Jesus as our guide sitting up front showing us the way.

Please Switch on to GPS (God's Positioning System)

May God bless us all for the same.

With Prayers,
Moncey Achen

Youth Chaplain's Message

Dear Families of the St. Peter's Mar Thoma Church, Teaneck, NJ,

We are now in the month of June. As we enter into the summer months, it is a time for reflection on our life's journey, and our relationship with the Lord. God created us in His image and likeness (Genesis 1:27). "I praise you, for I am fearfully and wonderfully made. Wonderful are your works; that I know very well." (Psalm 139:14, NRSV). As God's creation, we need to understand that our life is ordained by God Himself, and the time that we spend it is meant for His glory.

We live in a time where we go through a consistent identity crisis and an internal struggle about the purpose in life. This is necessary for our identity formation, but there needs to be a positive and creative response, through faith. Recently, I was at a bookstore, and noticed that number of books for self-help/improvement is increasing drastically. This means that the demand for such books has also increased. People are looking for the shortcuts in life, and how to be successful. We were created to be spiritual, not necessarily successful. We are clearly reminded in the word of God, and its part of our very own existence as God's creation. God has given us many opportunities to listen, read, and study the word of God. I hope and pray that we may re-evaluate our God-given purpose, and pursue excellence especially when it comes to our spiritual life.

During the summer vacation, I ask families to spend more time together in fellowship, and striving to grow spiritually. More free time will be available; do not let it be an opportunity to sin. "...sin is lurking at the door; its desire is for you, but you must master it." (Genesis 4:7b, NRSV) This summer, we have the various camps, retreats, mission trips & conferences for the parishes and the organizations. I recommend all to be a part of at least one event. For our youths, the SE Regional Sunday School Junior/Senior Conference is there from 6/30-7/3, Youth Conference from 7/28-7/31.

I wish all of you a blessed and Christ-centered summer.

I pray that all these programs will be for the furtherance of God's kingdom and the spiritual edification of the faithful. I wish all of you a blessed and Christ-centered summer.

May the blessings of the Father, Son, & Holy Spirit be with you all.

Sincerely,

5/21/2016

FAMILY CAMP - 2016

The parish family camp was held from May 27 - 29, 2016 at camp Pontiac, NY. Over 230 parishioners attended this year's family camp. By the grace of God, the family camp was blessed with awesome weather, great fellowship and good food.

The Theme for this year's camp was "Spiritual small talk" based on Deuteronomy 6:4-9. There was a theme session led by Mrs. Susan Thomas from Long Island MTC.
